

2012 Winter / Spring Junior League Registration Form

Junior Racing Overview

The F1 Boston Junior Racing League offers the best value in racing available today. Competing in identical karts on a variety of tracks with kids their own age, every junior racer is assured of a high level of competition. The Junior League is open to all F1 Boston Junior Competition License holders who have completed F1 Boston's Junior Novice Racing Academy or Camp.

Points Structure - Participants in the 2012 Junior Leagues may enter as few or as many rounds as desired. If you want to compete for the season championship, you must attend a minimum of seven (7) rounds. Only the best seven rounds scored count towards the final championship positions. Racers not participating in the championship will continue to score points, but these points will not impact the championship positions. Competitors are placed into one of eight groups based on criteria including age, size, ability and experience. During each round of the league, competitors take part in one practice session and three races. Competitors will start races from the front, middle and rear sections of the grid. Race winners are awarded 10 points, second place 8 points with 6, 5, 4, 3, 2 and 1 point for third through eighth place respectively. Groups 1AA, 1A and 1B race winners are awarded 12 points, second place 10 points with 8, 6, 5, 4, 3, 2, 1 and 0 points for third through tenth place respectively. The driver achieving the fastest lap in each race will pick up an extra point. **League Standing can be viewed <http://www.f1boston.com/index.cfm?event=leagueStandings>**
